

How to enter Availability

Go to your personal area and choose the dates on which you are available to take HHUA umpire appointments. You will have the choice of being available for one or for multiple appointments on the day in question. If you have any restrictions of time or venue on the day in question, you must write a note to this effect in the box on the right. You should normally submit availability by the 15th of the previous month. After you have been appointed - in draft or actually published - you will not be able to change your availability without consulting the relevant HHUA Appointments Secretary - David Boyle for Saturdays and midweek or Kevan Tate for Sundays.
