

## Poor State of Pitch / Venue

If a HHUA Appointed Umpire or other official considers the state of the venue, pitch or fittings (e.g. goals, nets, lighting) to be unsuitable then they should

1. Take immediate appropriate action for example abandon match or arrange temporary repairs
2. Tell a home side official e.g. captain about your concerns to allow remedial action to start
3. complete the following and forward it to the Chairman of Hampshire Hockey for further action.
